ONLINE TRAINING

Conflicts occur in every school—let's resolve them.

Tuesday 25 May 2021

Course Number:GP06

No school is totally conflict-free. Conflict happens within every group and between the groups of children, parents and staff. Yet quality schools manage to deal with conflict in ways that usually have amicable outcomes. There are constructive and destructive behaviour responses to conflict. 'Hot button' and 'precipitating' events can trigger huge conflicts if not handled well.
