

NAPTOSA

Professional Development Programme 24/05/2021 – 29/05/2021

NAPTOSA has 9 provincial offices and a head office. Professional development is done by all. With online platforms provincial boundaries are no longer an obstacle but management still resides in certain offices, thus booking and queries are made through these. Please ensure that you confirm banking details with the relevant province (contact details for the office offering the training is listed next to each course).
