NATIONAL DAY OF ACTION – MEMBER MANDATE

In response to the call from the labour federations in NEDLAC for a National Day of Action, NAPTOSA is urging all members to participate in this critical decision-making process. The constitution of NAPTOSA requires us to consult and ballot members for any form of protest action. The proposed date for the Day of Action is Monday 7th October (or earlier). The NEC requests members to consider all aspects in their decision-making process. The protest addresses the following key issues:

1. **Austerity Measures:** Opposing the financial policies that have led to severe budget cuts, impacting our livelihoods and public services.
2. **Job Losses:** Standing against the increasing rate of job losses that threaten our job security and the well-being of our communities.
3. **Decent Work:** Advocating for fair wages, safe working conditions, and respect for all workers.

Your voice is essential in this matter. We ask that all NAPTOSA members complete the survey to indicate whether you support the intention for a day of protest (strike) and if you will be participating.

The standard regulations for a day of action will apply, including the "no work, no pay" policy, as well as the guidelines for picketing, essential services, and minimum operational standards (these are still under discussion in the PSCBC).

Please note that the survey will close Wednesday 21st August 2024 at 08h00.
